

I•Class™ Designation

Personal Care Products with the I•Class™ description are Invacare's best products. They provide the highest level of comfort, performance, features and value.

Bariatric/Heavy-Duty Designation

Invacare products with the Bariatric/Heavy-Duty icon are designed for your bariatric patients whose height and weight require use of a heavy-duty model. These products provide the same quality as all Invacare products. They also demonstrate our commitment to this product category.

Retail Packaging

Certain Personal Care Products are offered in attractive, consumer-oriented packaging. They can be displayed on pre-designed planograms to help build retail business and increase consumer awareness. Look for the Retail Packaging symbol within this catalog to easily identify these products.

Invacare has always taken pride in improving the lives and increasing the freedom of all of your clients. Our products are designed with their unique needs in mind, and this year's line of Personal Care Products is an outstanding example. This comprehensive range of reliable, high-quality products includes transfer benches, toilet safety items, shower chairs, crutches and canes; bariatric/heavy-duty products to address the needs of the growing bariatric population; and new additions including our Blue-Release™ Walker and All-In-One Aluminum Commode. It all adds up to the most comprehensive, exciting line of Personal Care Products we've ever offered. We're proud to make it possible for you to offer them to your clients.

Basket and Tray Accessories

Available accessories for Rollite Rollator

- Basket (model no. 65110)
 - 10 lb. weight capacity
 - Position basket underneath seat to secure valuables
 - Available only for Rollite Rollator
- Tray (model no. 65408)
 - For food and beverage placement
 - Available for all Invacare Four-wheel Rollators

Flip-up seat allows user to step inside the frame.

Invacare Rollators offer great maneuverability for added stability and comfort while walking. Features include easy-to-operate ergonomic hand brakes and a built-in seat handle for easy folding. Rollator models also offer height adjustability for a custom fit, a lifetime limited warranty on frame, six-year warranty on brakes*, and one-year warranty on all other components. Basket and clear plastic tray are standard on model nos. 65900, 65800, 65700, 65500 and 65420.

*Brake warranty does not apply to model no. 65700.

Invacare® Stardust™ Rollator

Model no. 65900 - Color: Jewel Green

The patent-pending Stardust rollator features a second bar which serves as a convenient transport handle. The curb climber can also be used as a footrest. Easy-to-operate ergonomic hand brakes lock the rear wheels for security.

Ergonomic hand brake is easier to use than traditional cable brakes, with a wide, flat surface for better placement of palm and hand. To lock, simply push down.

The backrest's removable foam pad (standard on Model nos. 65700, 65800 and 65900) provides comfort.

The Curb Climber, model no. 65406 (standard on Model no. 65900) allows for precise control when negotiating curbs and also can be used as a footrest. Also available as an accessory for 65900 and 65500.

Invacare® Sandstorm™ Rollator

Model no. 65800 - Color: Denim Blue

The durable, lightweight Sandstorm rollator offers easy-to-operate, ergonomic hand brakes that lock the rear wheels for security. It provides increased flexibility, allowing users to perform daily activities with less fatigue. The sturdy seat has a removable foam-padded backrest for comfort.

FEATURES

- Folds easily with basket attached
- Removable foam-padded backrest provides comfort and can be easily removed, allowing rollator to be folded into a compact unit for storage

The backrest (on model nos. 65700 and 65800) can be easily removed, allowing the rollator to be folded into a compact unit for storage.

Invacare® Frontier Lite™ Rollator

Model no. 65700 - Color: Metallic Burgundy

Lightweight and durable, the Frontier Lite frame offers increased flexibility to perform daily activities with less fatigue. Rubber tips and 5-inch wheels combine to provide greater control and maneuverability. The sturdy seat has a foam-padded backrest for comfort.

FEATURES

- Push-down brakes lock when user is in a seated position
- Folds easily with basket attached
- Removable foam-padded backrest provides comfort and can also be easily removed, allowing rollator to be folded into a compact unit for storage

Invacare® Stingray™ Rollator

Model no. 65500 - Color: Blue-Grape

Features easy-to-operate ergonomic hand brakes that lock rear wheels for security. Sturdy seat with flexible and adjustable backrest adds to a comfortable fit.

Invacare® Spartan™ Rollator

Model no. 65420 - Color: Teal

Attractive lattice frame provides additional carrying space for larger objects. Easy-to-operate ergonomic hand brakes lock rear wheels for security.

Invacare® Three-Wheel Rollator and Tote Bag Accessory

Invacare® Sprint™ Rollator

Model no. 65400 - Color: Blue

Features adjustable handle height for a custom fit and easy-to-operate ergonomic hand brakes that lock rear wheels for security.

Invacare® Sprint™ Tote Bag

Model no. 65404

Designed specifically for the Sprint three-wheel rollator, the tote bag attaches easily to the frame.

SPECIFICATIONS

From standard crook to folding, Invacare offers a stylish and unique line of canes. With a wide assortment of handgrip styles, you can fit virtually any of your clients with ease.

The Invacare® Grip

- Our familiar triangular-shaped grip. The flat top helps reduce the stress a user's hand may experience through everyday cane use.

The Foam Grip

- The smallest of our grips, providing a cushioned feel that's ideal for delicate hands. The foam grip is made of a soft, spongy material.

The Dual-Cam Grip

- This slightly smaller grip also utilizes a flattened top to help reduce stress on the hand. Its ergonomic shape provides the user with a form-fitting gripping area.

Cane Tip and Collar

- Locking adjustment collar secures cane at desired length. Tips feature reinforced metal insert for longer wear.

Invacare's line of Crutches provides support, strength and comfort for consumers. Crutches range in sizes from junior to tall adult, allowing a custom fit for a wide variety of consumers.

Invacare® Bariatric Crutches

Model nos. 8130-J, 8130-A, 8130-T

Strong and comfortable, Invacare's Bariatric Crutches range in sizes from junior to tall adult. Large, double push-buttons allow for height adjustments in 1" increments. Crutch frame offers durable steel construction.

FEATURES

- 550 lb. weight capacity
- Push-button height adjustment
- Patient height guide on crutch for easy adjustment
- Contoured underarm design
- Arm pads (model no. 7131), handgrips (model no. 7126) and 2" crutch tips (model no. 6135) also available as accessories

Invacare® Forearm Crutches

Model no. 6152 – Junior
 Model no. 6153 – Adult
 Model no. 6154 – Tall Adult

Forearm crutches feature vinyl-coated 1-inch solid aluminum cuffs, cushioned vinyl handgrips and extra large crutch tips.

Invacare® Quick-Change Crutches

Model no. 8115-J – Junior
 Model no. 8115-A – Adult
 Model no. 8115-T – Tall Adult

Invacare quick-change crutches offer a solid one-piece crutch frame in lightweight anodized aluminum with push-button height adjustment and contoured handgrips.

Invacare® Quick-Adjust Crutches

Model no. 8120-J – Junior
 Model no. 8120-A – Adult
 Model no. 8120-T – Tall Adult

The one-piece handgrip assembly eliminates the need for wing nuts and other assembly pieces. Plus, the push-button height adjustment and patient height guide allow the crutch to be fitted to the proper user height. This patented model comes completely assembled for the user's convenience.

Push handle lock for quick handgrip adjustment.

Invacare grab bars are designed to give added security in and around the bathroom, and provide years of trouble-free service.

Invacare® Residential Grab Bars

Firmgrip Grab Bars (Residential)

Model nos. 312-3, 316-3, 318-3, 324-3, 332-3

These grab bars include a soft-touch, Firmgrip white vinyl coating; sturdy all-steel construction with 3 3/4-inch wall clearance, and a 1-inch O.D. gripping area.

Knurled Grab Bars (Residential)

Model nos. 512-3, 516-3, 518-3, 524-3, 532-3

Our knurled grab bars are constructed of heavy-gauge steel for added stability with a knurled, chrome-plated finish that is rust-resistant. They mount in a variety of angles to a wall's structural supports, with rubber gaskets to protect the wall surface.

Invacare® ANSI/ADA Compliant Grab Bars

1/2" Gripping-Surface Stainless Steel Grab Bars, Exposed Flange

Model nos. 2712-3, 2716-3, 2718-3, 2724-3, 2732-3, 2736-3, 2742-3

Offering sturdy, welded stainless steel construction, these grab bars come in a polished stainless steel satin finish with stainless mounting hardware included.

Invacare® I-Class™ Tub Bar

Model no. 705-4

The Invacare I-Class tub bar provides two gripping surfaces. The upper gripping position allows users to easily enter the tub without turning the wrist or body. The lower gripping position allows users to lower into or rise from a seated position in the tub.

FEATURES

- Easy-to-adjust locking mechanism allows users with limited dexterity to lock bar securely
- Lightweight, portable and waterproof
- No tools or assembly required, making installation easy
- Attractive white molded bar blends well with most bathroom decor
- Non-marring pads protect tub wall

Invacare® Rehab Shower Commode Chairs

Model no. 6690 - 5" casters with 18 1/2" seat
 Model no. 6490 - 5" casters with 16" seat
 Model no. 6692 - Pneumatic tires with 18 1/2" seat
 Model no. 6492 - Pneumatic tires with 16" seat
 Model no. 6695 - Urethane tires with 18 1/2" seat
 Model no. 6495 - Urethane tires with 16" seat

The Invacare rehab shower commode chair has a corrosion-resistant coating, making it ideal for use in the shower. Lightweight and durable, and it also folds easily for transport or storage. It features armrests for comfort, two-tier pan height, variable seat widths, and wheel options for a custom fit.

Standard Features

Padded Seat

- Seamless Ensolite™ seat contains high-density foam padding that is water-resistant
- Textured surface
- Seat easily rotates into four positions for bathing and showering convenience

Swing-Back Arms

- Allow for easy transfers
- Stay attached to chair

Footrest with Quad Release

- Swing-away footrest easily adjusts up and down into four positions without the use of tools
- Quad-release handle enables users with limited dexterity to easily move footrest out of the way

Rear Wheel Options

24" Urethane Tires

- Low-maintenance tires
- Provide smooth ride, even on carpet
- 24" composite mag wheels
- Composite hand rims
- Wheel locks

24" Pneumatic Tires

- Provide smooth, cushioned ride, particularly on hard floors
- Give user additional traction for bathroom floor surfaces
- Require less effort to self-propel chair
- 24" composite mag wheels
- Composite hand rims
- Wheel locks

5" Casters

- Allow chair to fit through narrow doorways and passages
- Attendant care required; self-propel option not available

MERCHANDISING

Yes, you can.™

Invacare is pleased to offer our valued professional health care providers the Invacare Health Care Provider Merchandising Program. This program has been exclusively designed to provide health care providers with the tools and support necessary to build consumer sales. This professional merchandising program contains the following tools:

- Retail Product Packaging
- Planograms
- Point-of-Sale Displays
- Signage

Planograms provide the health care provider with pre-designed product layouts in 4', 8' and 12' sections. Planograms provide recommended product location, quantity, and hook size. In addition, planograms include product displays and signage.

Banner (74"W x 34"H) is free to Invacare accounts for display inside showrooms.

For additional information and support on building consumer sales, contact your Territory Business Manager or the Health Care Provider Merchandising Department Hot Line at 1-800-333-6900, ext. 6890.
